- Each Church will provide ***‘their own individual information application/permission form’*** on each of their students who are camping overnight for the event of Raise The Praise Festival. [Individual info forms are applications provided by your fellowship with all of your student’s info; i.e. name, address, phone #, age, personal contact, release of liability, medical, meds, etc.] If there’s a medical issue, we will make that info available to the Director of First Aide, [if] we [RTP] have been given advance knowledge.
- Each Youth Pastor/Director will provide a copy of each students information form to the Directors of Registration either by mail or day of check in. If your student does not have a signed parental application to camp, they will not be able to camp.
- Each Youth Pastor will keep a roster of their youth with them at all times.
- Each Youth Pastor will be solely responsible for their student’s whereabouts and actions at all times.
- Every Youth Pastor registering to have their youth stay overnight will be responsible for their own security and are required to provide an all night security watch at their campsite. RTP will have security on the grounds at all times, but you are responsible for your own campsite. At the campsites YP’s will have their students respect other campers at all times and during bedtime. Fellowship, discussions, Bible study, prayer etc at the end of the evening is encouraged, just remember the other campers who are trying to sleep.
- Each Youth Pastor will be responsible for getting their students to the programs on time and enforcing the schedule so that everything will stay on course within the window of time that has been allotted for each activity. During free time (breakfast/lunch/dinner, etc...) each Youth Pastor/Director can initiate an activity for your youth at your camp site.
- All youth pastors must have an active (charged) cell phone the days of the event and leave your cell number with the Registration Directors for emergency use only. Each youth pastor will be given the cell numbers of the Events Director and Director of Registration for emergency only.

Although this is a free event, there will be vendors at the festival where you can purchase food and other merchandise. Some of the proceeds will go to help offset the cost of the outreach.
